### GAME NOTES

- In the case of a color conflict, the home team will be required to change jerseys.
- Teams will receive three points for a win, one point for a tie, and zero points for a loss.
- Following the preliminary round, seeding (in the case of a tie) will be determined by (1) head to head result, (2) preliminary games goal differential (maximum of three), (3) goals against, and finally (4) kicks from the spot prior to the Sunday morning games. Head to head results are not used in a three-way tie.
- Games will be officiated under FIFA rules with the following exceptions:
  - Tournament game halves will be 35 minutes with a five minute break.
  - Substitutions are unlimited, but the center referee may elect to deny a substitution request if the referee feels that the substitution will delay the game and negatively impact the opposing team when they are in possession of the ball. For a substitution, the player must be at the half-line of the field & prepared to enter play right away.
  - For the semifinals & finals, if the score is tied at the end of regulation, then two ten minute periods (not golden goal) will be held. If the score is tied at the end of the over-time periods, then kicks will be taken from the penalty spot according to standard FIFA procedures.
