On your assigned week coaches, players, and parents are to complete the following tasks on one occasion during that week:

- Walk the perimeter of the Turf Field (inside the fence) and pick up all trash.
- Pick up as much trash as possible from underneath the bleachers.
- Empty the large trash cans into the complex dumpster which is located next to the pavilion (to the left of the WCUSC Turf Field). Return the trash cans to our Turf Field.
 - > *There is a handcart located by the entrance of our Turf Field to assist with this process.*

We are very fortunate to possess some of the best facilities in South Eastern Pennsylvania; with your help we can maintain the cleanliness of our complexes – Thank you.

NOTE: Also please remember to call Mark Thomas if you are the last team on the Turf Field, so that the lights can be turned off remotely (Mark Cell: 484-653-9923) if Mark is not available please contact Tino Mueller (Tino Cell: 484-885-6970)
