Format

This program is designed to combine the fun of the game with fundamental skill development. Each week the players will play small sided games (4v4) for 30 minutes, with an additional 30 minutes of skill development training lead by the Coaching Staff at Penn Fusion Soccer Academy, the club's travel partner.

Format continued...

Parent volunteer coaches will attend weekly training sessions with the players to observe professional staff and supervise team scrimmages. Week 1 training will be a Meet & Greet with uniform distribution. Weeks 2-5 training will be run by PFSA Staff. Parent volunteer coaches will run Weeks 6 & 7 (no PFSA staff present) repeating their choice of sessions from Weeks 2-5. Parent volunteer coaches will have access to Youth Soccer 101 Practice Plans, EPYSA Coach Education Course (resulting in State Certification) and the PFSA Staff curriculum. Our goal is to offer development for parent volunteer coaches as well as players.
