

WCUSC TURF FIELD POLICY

To uphold the appropriate levels of maintenance and security of our new TURF Field facility the following guidelines have been established.

FACILITY OPENING:

The WCUSC Turf Field will be opened by club staff for all scheduled events.

FACILITY CLOSURE:

The last team on the Turf Field must take the following steps:

- Team must pick up any trash on the field or in the bleachers.
- Team coach must close the gate and lock the padlock on gate (no key needed).
- Team coach must call Mark Thomas to confirm that gate is locked and so that the floodlights can be switched off (Mark Cell: 484-653-9923) If Mark can not be reached, call Damon Nolan (Damon's Cell: 610-945-7209).

FACILITY USE:

- Teams must warm up on the side of the TURF field, if the field is in use.
- No teams are permitted to warm up on the Softball fields, unless provided prior authorization from the club administration.

GENERAL UPKEEP & GUIDELINES:

- After every practice all coerver goals must be moved off of the playing surface
- Game day goals must be moved back to end lines
- Team's must take pride in the facility and ensure that no trash is left behind
Team's that are found to have left trash on the field will receive two weeks of suspended practice time.
- A schedule will be provided monthly: with each team in the club responsible to check all trash cans around the field & take full cans to the dumpster located at the center of the complex. To assist with moving the trash cans, there is a hand-cart kept near the light building.
