## **WCUSC INDOOR REC. LEAGUE U-14 BOYS 2010 SCHEDULE**

**GAME KICK-OFF:** It is very important that games are kept on time as there are only a few minutes between games. There is no need for a coin toss as the teams should simply defend the goal closest to their bench. At the half-time break, there is also no need to have the teams change direction as there is no advantage indoors. Referees should blow their whistle one (1) minute before the official start of the game to alert teams to get ready for the game, then blow their whistle & ask the coaches to have their starting line-up on the field thirty (30) seconds before the start of the game.

**LEAGUE MERCY RULE:** If a goal differential reaches five (5) goals, then the team that is behind can play with an additional player on the field. If the score differential drops down to four (4) goals or less, then the team is to remove the extra player.
